SENATOR GILDA JACOBS APPOINTED TO NCSL HEALTH COMMITTEE

(LANSING)—State Senator Gilda Jacobs (D-Huntington Woods) confirmed today her appointment to the National Conference of State Legislatures (NCSL) Health Committee.

“I am honored to have been selected to serve on the NCSL Health Committee,” said Jacobs. “The NCSL provides a great forum for lawmakers from across the nation to share ideas and communicate with one another.”

The National Conference of State Legislatures was founded in 1975, and is based in Washington, D.C. The organization is dedicated to improving the quality and effectiveness of state legislatures; promoting policy innovation and communication among state legislatures; and ensuring state legislatures a strong, cohesive voice in the federal system.

“I am looking forward to serving on the NCSL Health Committee and representing the needs of Michigan families,” said Jacobs. “Michigan is not the only state facing fiscal challenges this year. When states share ideas and work together, we can find better solutions to problems many of us are dealing with in these difficult economic times.”
